SPA AND WELLNESS

- taking time each day to relax and renew

Massage is not just a luxury. It's a way to a healthier, happier life.

PREVENTION & WELLNESS

"Preventive health" is the medical term for care that helps us protect, promote, and maintain health and well-being.

Well-ness (noun): the harmony between mind, body, and spirit.

MINI MASSAGE

25 MIN 330,00 KN 1 session

Restoring movement, will restore health. With Massage we can restore the blood flow to areas of the body that have blockages & no flow, thus allowing your body to function at it's more optimal.

Offer is not used in conjunction with any other offers and is subject to availability.
